BOW TIMES

NEWSLETTER OF THE CENTRAL TEXAS CLASSIC CHEVY CLUB

MESSAGE FROM THE PRESIDENT

We had a good turnout for the first meeting of the New Year. Groundwork was set and ideas tossed around to benefit the Club. One of the big items that were discussed was the insurance policy that we had for the club. In the past we were spending $200.00 for this coverage through Bow Tie Chevy. Classic Chevy International and other insurance companies offer this policy. We are checking around to see if we can get a better rate. This will be discussed again at the next meeting and hopefully we will come to a conclusion.

On another topic, during the holidays I stumbled upon slides from our club that were taken years ago. I have gathered them up and will bring them to the next meeting to have a slide show. Many of you are in these pictures, so be sure to attend the next meeting. Some of the members look a bit different, but time does take its toll on us.

Now is a good time, during these cold winter months, to get that Chevy ready to cruise again. Our Blue Bonnet Cruise will be here in a few short months, along with other club activities, and you don't want to be left behind.! So charge up the battery, grease and oil the old buggy, and let's get ready to ride!

REQUEST FROM THE PREZ

One of the nice features of holding our meetings at the HEB is the convenience of food. It was nice when the meeting had cookies and drinks for all to share. I would like to have that be a common practice at our meetings. The next meeting Kay and I will bring, at our expense, some snacks and drinks. We will be passing around a paper at the meeting with the dates of the year's meetings, notating the dinner meetings. I wish for the members to choose a date and supply the meeting with snacks and drinks. Two families can divide up the cost by splitting the drinks and snacks. Not that it is a great expense, but it will get more members involved and in a small way make members active in the club. Please be prepared for this at the February meeting and select a date for your contribution to the club.

MINUTES FROM JANUARY MEETING

January 20, 2000
Central Texas Classic Chevy Club
HEB Hancock Center

The meeting was called to order by Club President, Dan Bowen. Members, their guests, and new members were welcomed. The report from Treasurer, Kay Bowen, was presented by Dan Bowen. The report was accepted as read. The Treasurer has requested that someone volunteer to audit the Treasurer's records. Pat Ball indicated that she would audit those reports at a time to be determined. The floor was opened to Old Business. The success of the Christmas party was the first item to be discussed. It was an overwhelming success in every way. A report was given by Dan Bowen on the Austin Car Show. There were 5 member's cars entered in the show. The results were as follows:

EARLY CONSERVATIVE: 1ST PLACE: DAN BOWEN
2ND PLACE: Bob Zay

CLASSIC RESTORED: 1ST PLACE: WYATT STRIPLING
2ND PLACE: HAROLD PAGE

ALTERED RESTORED CONVERTIBLE: 1ST PLACE: DON PETERSON

CUSTOM STREET MACHINE: 2ND PLACE: TOM PORTER

CUSTOM WAGON: 1ST PLACE: PETE BUNDRANT

OUTSTNADING DETAIL: DON PETERSON

OUTSTANDING PAINT: DON PETERSON

Congratulations to all those winners. Everyone there got an award. If the show is held next year we would like to have more cars. Money for the Rozanky Swap Meet spaces needs to paid as soon as possible at $25 per space. A discussion was held as to the collection of money for Kars for Kids. A motion was made and seconded that we continue to "pass the can" at our meetings. Another motion was made and seconded that the club will decide to match or make a donation to the Kars for Kids at a later date . A discussion was held about buying liability insurance for the Club. Our previous coverage has lapsed. Inquiries will be made and will be put on the agenda for discussion at the February meeting. The floor was then opened for New Business. It was suggested that the Activity Director (Pete Bundrant) could use help. John Majalca and Bob Zay volunteered to help Pete on that committee. The idea of forming a Board of Directors for the Club was discussed . The board would oversee the club and make sure the club was moving in a positive direction. The idea was tabled for future discussion. The President asked for ideas for fund raising ideas. One way the extra money could be used would be to have our Christmas Party a compensated event. Other activities for the year were discussed. A calendar of those events will be available soon. The next event coming up that several members will be attending and showing their cars will be the Corpus Christi Car Show the last weekend in February. Chester Toothman asked the group for information on insurance coverage for classic cars. Several members gave him the names of their particular insurance companies. The meeting was adjourned. Respectfully submitted, Paula Bundrant, Secretary (17 members present)

HANDY DAN'S HOUSEHOLD HINTS

*Cure for headaches: Take a lime, cut it in half and rub it on your forehead. The throbbing will go away.
*Don't throw out all that leftover wine: Freeze into ice cubes for future use in casseroles and sauces.
*If your VCR has a year setting on it, which most do, you will not be able to use the programmed recording feature after 12/31/99. Don't throw it away. Instead, set it for the year 1972, as the days are the same as the year 2000. The manufacturers won't tell you. They want you to buy a new VCR!

Test for Baby Boomers

- "Kookie, Kookie. Lend me your _____."
- "Get your kicks_____."
- We all learned to read using the same books. We read about the thrilling lives and adventures of Dick and Jane. What was the name of Dick and Jane's dog?_____
