President's Message

Life after Lone Star. It's over and was very successful despite the chance of us being washed out due to the weather. As it turned out the weather held for our show and made it very comfortable for all. Some of the participants cancelled out at the last minute due to the weather conditions and then many showed up without their car to find out that it was a great show. All the hard work that many have put into this event paid off. The tireless effort that Jim & Lynda Rankin put into this event for the past two years really paid off. All committees were very well prepared and organized in preparation for LS 35. I think that the Rankins should be rewarded for their efforts by sending them to Hawaii. So if everyone agrees let's all chip in $500 each to send them on their way. If not, then I feel that we could pay for their dinner at Hill's during our next meeting on June 15th. The final cost tabulation of our event is not available at this writing but will be ready at the meeting. More information about LS 35 will be discussed at the next meeting so please attend and bring your Chevy. As before, Hill's will have the front parking lot blocked off for our Classic cars to park.

Now that LS 35 is over we can get back to our Scholarship funding. We have a few very nice items that are left over and will be used for our Club meeting drawings. Be sure to attend our June 15th meeting at Hill's as we make our plans for the summer cruises.

One last note, I really want to thank all of you that were involved with LS 35. You were all great. You made the Club stand out and showed that we know what we are doing.
See you on the 15th of June.

Dan

We received the following message from the Houston Club.
"Everyone who attended Lone Star 35 had a wonderful time. The Central Texas Classic Chevy Club did a marvelous job entertaining and feed us. Attached is a photo of the car we picked for the Houston's favorite award (Lawann - a red 1957 Chevy), some shots of the event and the mini train experience. If you were not there, we missed you and you missed a really great weekend.
